1. Basic consumable fee per course (up to a max. of 20 participants) will be HKD2,400 inclusive of oxygen, iv fluids, iv cannula, drip sets, syringes, needles, blades, endotracheal tube, tracheostomy tube, intubation consumables, airway accessories, oxygen therapy devices and tubings, tapes (e.g. tegaderm, micropore and blendem). Additional HKD110 per head will be charged for additional headcounts.

2. Additional consumable fee will be estimated by JCIMED based on user requirements where relevant.

Other charges

1. As an integral part of HKAM, for items also available for rental in HKAM, JCIMED will charge the same rates as stipulated in the HKAM rental price list.

(Remarks: Furniture required to be deployed from other venues of HKAM to JCIMED will be charged at the same rates quoted in the list.)

(Price list: [HKAM Equipment Rental Rates](#).)

Remarks

1. As an integral part of HKAM, JCIMED will adjust its venue and equipment rental fees in line with HKAM's yearly rate increase, if applicable, starting from 1st January each year. If you're planning to book across multiple years, it's recommended to be aware of possible fee increases and allocate extra budget accordingly.
